Trail Riders of the Canadian Rockies

BULLETIN No. 67

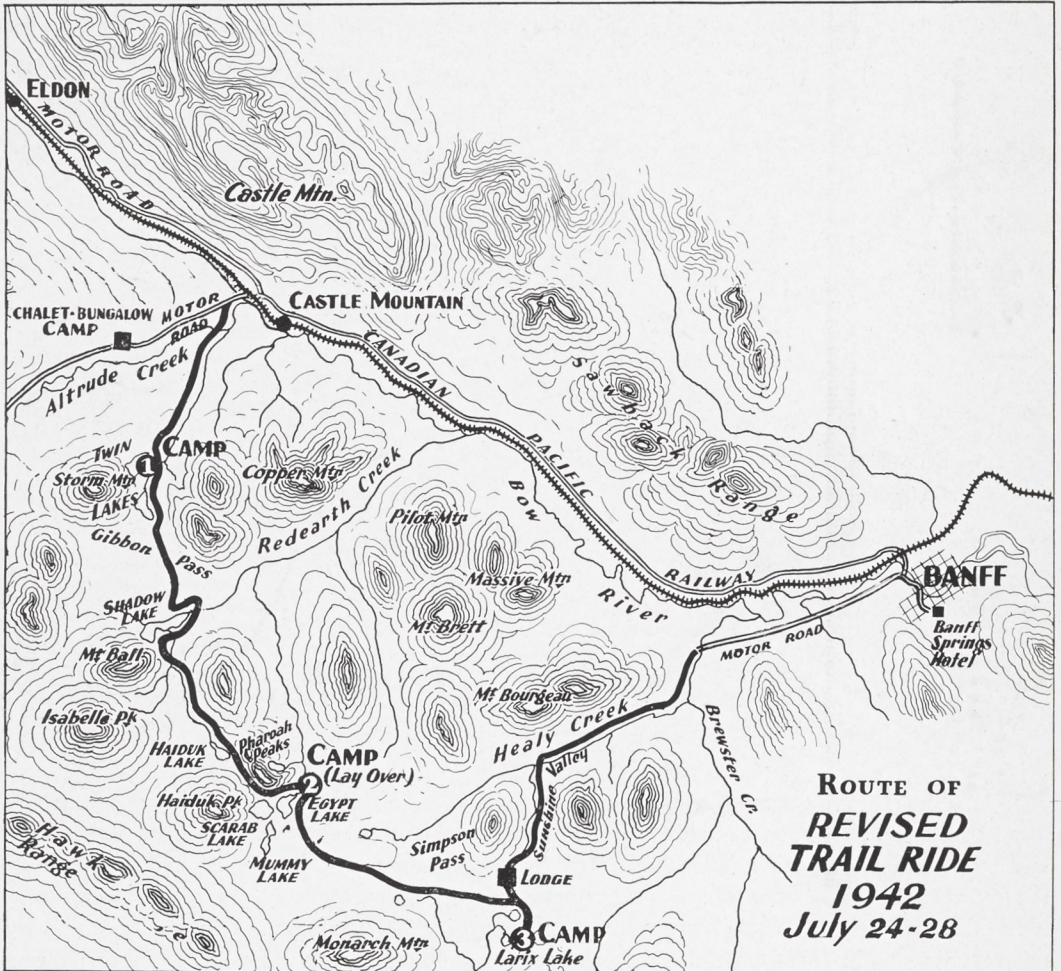

The change in itinerary for the Trail Ride of 1942, which was occasioned by the curtailment of bus services, has not slowed down the request for reservations, although the draft and other conditions arising out of the war have caused some of our American members to change their plans. Unless something unforeseen occurs, we expect to have a good average turn out at Banff for Castle Mountain on the morning of July 24th. Our plan is to go by the morning train from Banff, which at present is scheduled to leave at 11.20 A.M. and though that is a later start than usual, the first day's ride is only ten miles, so that with a break for lunch there should be ample time for the fishermen to try their luck on Twin Lakes, while others who want to bathe and don't find the water too cold can have a dip before supper.

Claude Brewster, our outfitter, finds it more than ever necessary this year to figure closely on supplies, horses and guides, and asks us for a definite guarantee of numbers not later than July 15th. It would be a great convenience to him if he had our numbers by July 1st. Would those who have made only provisional reservations, kindly advise either the Secretary Treasurer J. M. Gibbon, Windsor Station, Montreal, or L. S. Crosby, Brewster Transport Company, Banff, without delay.

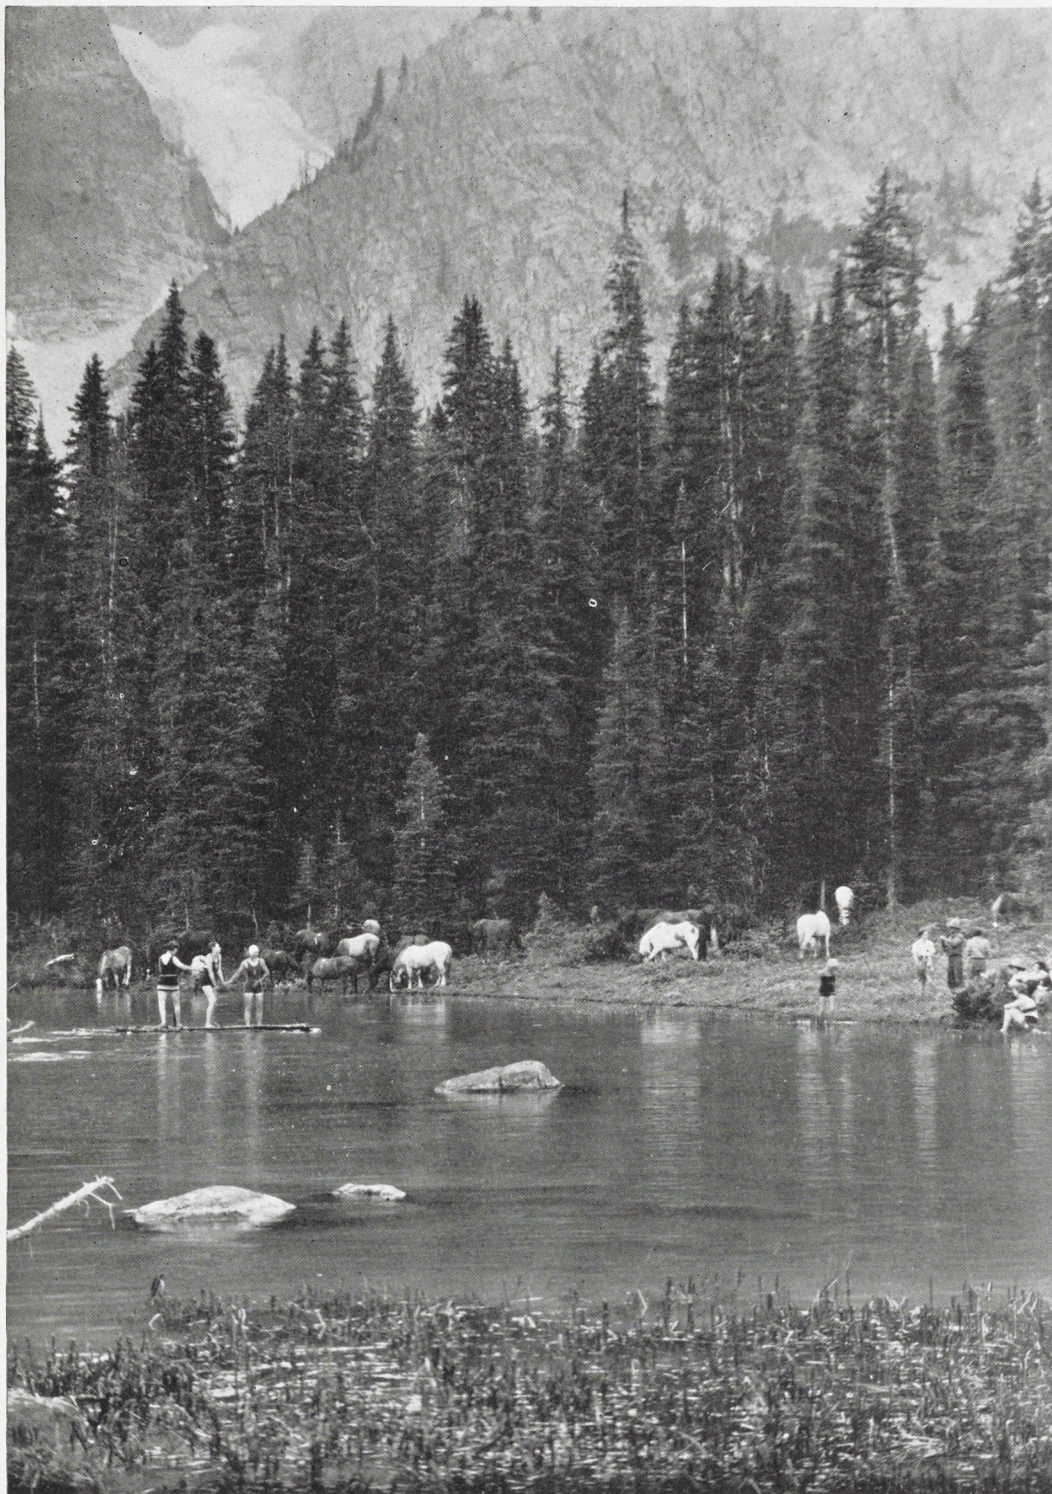

Newcomers who make reservations are requested to send in information as to their weight and height, stating also whether they are accustomed to the Western saddle.

Duffle for the pack train should be ready on the afternoon of July 23rd, and left with the porter at the Banff Springs Hotel or the Mount Royal Hotel.

We shall have a number of new tepees which were made and decorated for us during the winter by the Stoney Indians on the Morley Reserve. Some of our original old tepees were beginning to show evidence of wear and tear, particularly the President's tent and the Sun Dance Lodge, both of which are now declared to be rainproof.

A limited number of sleeping bags will be available for rent at \$5. for the Ride, and blankets at \$1., but reservations for these must be made not later than July 20th. The Secretary-Treasurer will be at the Banff Springs Hotel by that date. The rate for the five-day ride as outlined on the map will be, as usual, \$50.00 — this covering saddle horse, tent accommodation, meals, service of guides (including gratuities). Dr. Gow, our official doctor for these many years, hopes to be with us again, and so too our official musician, accordionist and organist, Allan Crawford. Dr. Peter Spohn also sees a gleam of possibility that he may be able to get leave and join us again on the Trail Ride, together with his bride (see Bulletin No. 66).

HORSES: HORSES.

Described and Photographed

by

DAN. McCOWAN

The average livery stable or farmyard horse, provided with comfortable shelter and regularly hand-fed or pastured is likely to become more dull mentally and less alert than say the deer, the antelope and similar creatures obliged to forage in the woods and on the open plains. Thus one might class most of the saddle and pack ponies of the Canadian Rockies, not with the humdrum draught horse nor with the high strung temperamental race horse but rather with the daring wild sheep, the sure footed goats and the great-hearted moose of their native hills and valleys. These hard working steeds, such as you become acquainted with on a Trail Ride, spend most of their scanty spare time in search of food and are more familiar with a curse than with a currycomb. Exposed at all times to the elements, and occasionally subject to attack by a marauding bear or cougar, they are both hardy and wary. Living by their wits, the one great aim in life is to evade the night herder. To outwit the round-up men at sunrise and to remain A.W.O.L. as long as possible. In this they are amazingly resourceful, indeed it is common belief that elderly horses, accustomed to travel on long trails and on short rations develop a high degree of low cunning.

In an effort to restrain his beasts of burden from leaving the country during nightfall the owner has recourse to (a) The Tether

(b) The Hobble or (c) The Loud Mouthed Bell. Whatever by the origin of the term "Horselaugh", I feel sure that these three things have something to do with it. Tether a saddle horse to a tree and he will either make a Maypole out of it or else become so thoroughly trussed in the rope as a hooked eel in an anglers tackle. Put hobbles on a pack-horse of wayward disposition and, in spite of gyves, he, or she, will be over the hills and far away in course of a short summer night. There is something almost uncanny in the way an animal so hampered succeeds in travelling long distances at comparative high speed and is able to overcome such obstacles as high steep crags and deep swift streams. The North Saskatchewan river in summer, swollen by melting snows and glaciers is an impetuous icy torrent with treacherous undercurrents and a surge awesome even to a beaver. Yet a hobbled pack horse has been known then to voluntarily brave the crossing of this river, swimming strongly and emerging safely on the further shore. Shaking a rainbow spray from his shaggy coat he, doubtless, proceeded to crop the few sprouts of *Equisetum* which looked so green and succulent from the far side of the flood. Under observation a hobbled horse moves painfully, awkwardly and with the gait of a hobby horse. Under cover of darkness it is alleged that the fettered animal then emulates the mythical Pegasus or else goes bounding over hill and dale in approved Kangaroo fashion.

At the close of day the clangour of tell-tale cow bells dangling from the necks of footloose ponies assures the sleep wooing wranglers guides and trail riders that the grazing animals are all in the near neigh-

Twin Lakes, Scene of our first night's Camp - glacier-fed and stocked for the fisherman

bourhood in fact are sauntering about outside the tents or ambling amongst the tipis. The tintinnabulation is then terrific. The dawn may come up like thunder but the bells, like those of Saint Boniface, are heard faintly from, afar or else are mute as those in England's belfries today. In remote glens and corries the wily beasts lurk behind clumps of stunted spruce or hide in secluded hollows where, inanimate, even breathing cautiously lest the bell should tinkle, they contrive to elude the petulant members of the search party.

An adult whale can hold its breath for twenty minutes, a beaver is capable of remaining submerged for at least five minutes but an experienced pack horse can inflate his lungs, and all interior cavities, to full capacity and remain in this bloated condition for an indefinite period. As soon as the crafty animal is led forth to be loaded he sets the air compressor agoing and by the time the wranglers haul lustily on the saddle cinch is swollen to abnormal circumference. Deflation comes later in the proceedings, usually as the pack train threads a maze of fallen timber or is in the midst of a quaking muskeg where insect pests are abundant and trustworthy tussocks scarce. There, to the fervent accompaniment of a male voice chorus of frantic hill billies, the aforesaid beast of burden suddenly shrinks and at once goes into a sort of glorified shimmy in which all the twitching muscles are brought into full play. Simultaneously the load disintegrates and, aided by a few swift kicks from flying hoofs, the bacon goes one way, the billy cans another while much miscellaneous duffle is strewn hither and thither across the landscape. Such an occurrence is vexatious, putting it mildly, yet in a short time the scattered pack is re-assembled and roped, there is an all round inspection of pack saddle cinches and as the cavalcade moves slowly up the mountain trail or wends its way by the shore of a glacial lake the rear guard wrangler will perchance be lifting his voice in a song of the hills, the stars and the sky.

Against such misbehaviour and shortcomings on the part of pack and saddle horses there should be placed some splendid examples of fortitude and of sagacity displayed by the patient animals on high trails in the western mountains. Some years

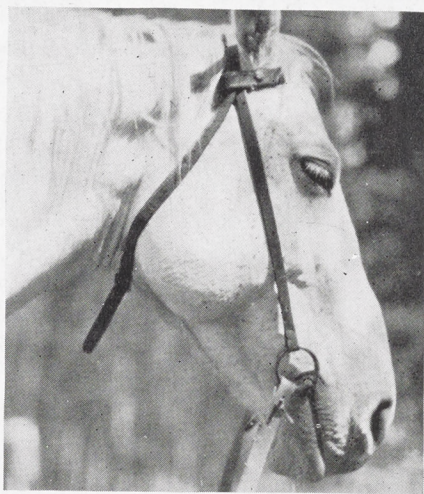

ago George Harrison, a veteran Banff outfitter and Edward Feuz the Lake Louise guide were erecting tents in a fly camp on the high slopes of Mount Goodsir. There was abundance of excellent horse feed on this lofty meadow so, at the end of the day they left two of the horses there, one picketed, the other hobbled, and returned to the base camp in Ice River valley below. In the middle of the night the men suddenly aroused from sleep by the loud persistent clanking of a cow bell, were surprised to discover the hobbled horse making its way toward the tent, not by the circuitous route which they had taken in the twilight, but directly down a steep and rugged slope which lay between the lower and upper camps.

Confident there was something amiss Harrison immediately started up the mountain side and gaining the alpine meadow discovered the tethered animal in dire straits, in fact almost at its last gasp. Evidently startled by some real or fancied danger in the night the luckless beast had stumbled and fallen over a log and in so doing became so badly tangled in the picket line that death from strangulation must eventually have resulted. The rope was immediately cut, following which a brisk massage of neck and head and a draught of water from a nearby rivulet considerably revived the victim. Several days elapsed ere the horse could again walk with head in normal position. George is yet emphatic in declaring that the hobbled animal purposely descended by the shorter, although more difficult route, and deliberately rattled the cow bell vigorously in the hope that succour might thereby be forthcoming for his prostrate and helpless pal.

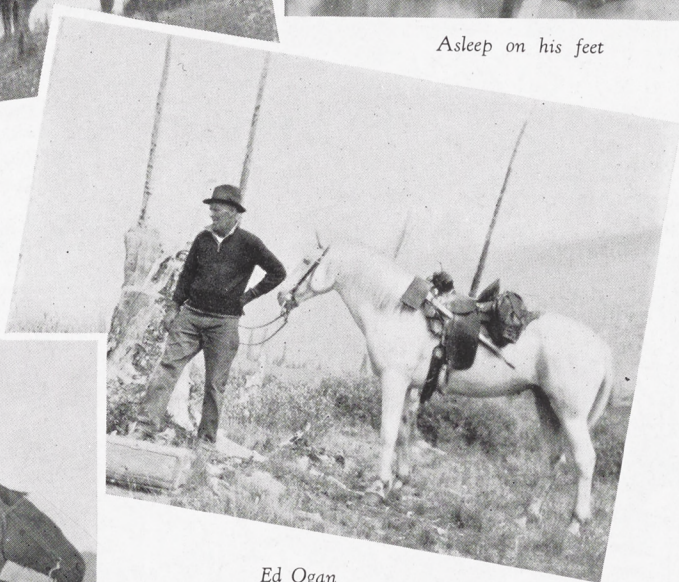

Over forty years ago a touching poem was written about the reaction of sundry guides and pack horses at sight of a monstrous bedroom mattress which an English gentleman included in his dunnage and insisted on its being packed on a cayuse preparatory to a trail trip to the Columbia Icefield country. Many a tipi has been pitched and many a diamond hitch thrown since then but the writer is convinced that in preferring a downy mattress to a pallet of spindly spruce boughs this pioneer Trail Rider of the Canadian Rockies displayed much horse sense.

TIPS FOR THE TRAIL RIDE

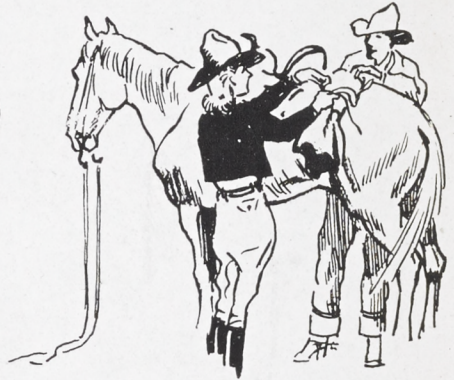

TAGS

For your horse
For your saddle
For your bridle

1. These tags help to identify your horse quickly. There may be over 100 horses on the Trail Ride.

2. Have your cinches looked to before you start and every time you stop for a rest on the ride.

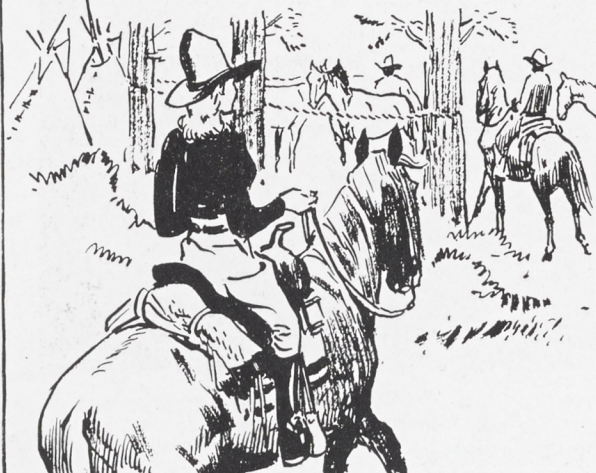

3. Strap a slicker or raincoat behind the saddle in case of showers.

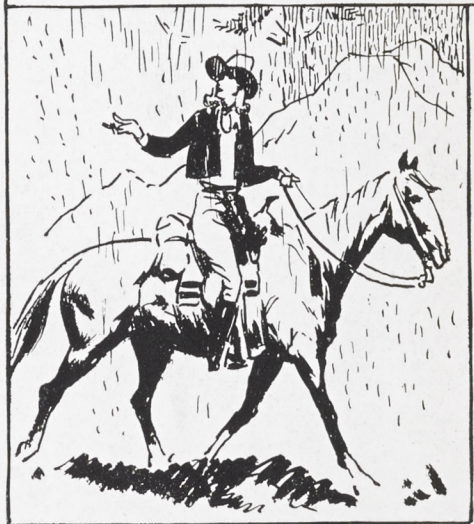

6. Give your horse as well as yourself an hour for lunch at midday.

8. The guide will unsaddle the horse at the corral.

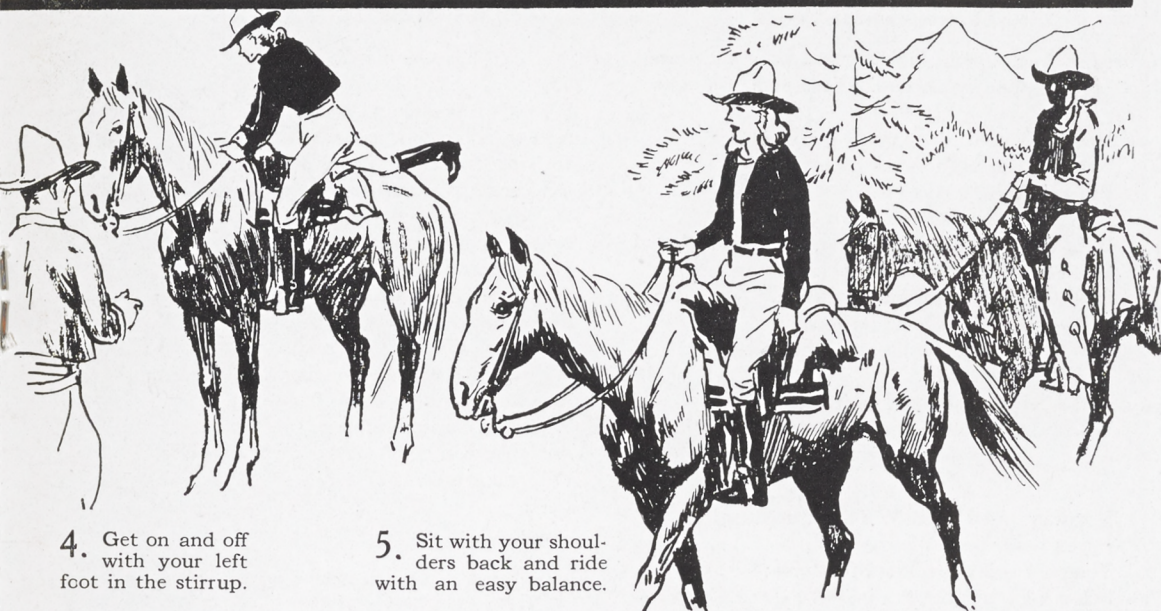

7. If it starts to Rain..

9. WHERE TO GET TRAIL RIDE BUTTONS

Trail Rider buttons can be had through the Secretary (J. M. Gibbon) the Western Secretary (L. S. Crosby) or the Information Desk at the Banff Springs Hotel.

— by R. H. Palenske

4. Get on and off with your left foot in the stirrup.

5. Sit with your shoulders back and ride with an easy balance.

GET OFF Your Horse.. THEN put on Your Raincoat

WHAT TO TAKE... WHAT TO WEAR ON A TRAIL RIDE

10. A hat that will shed rain
A shirt — flannel or buckskin, with pocket
Riding breeches or overalls
High-laced boots, or soft leather gaiters with short boots
Gloves to protect the hands
Coat of wool or leather for warmth and as a windbreak

- Slicker or blanket coat
Large coloured silk handkerchief to keep mosquitoes from the neck
Waterproof match box
Large pocket or hunting knife fastened to the belt
Tin or enamel cup carried on the saddle.

NEW SONGS FOR THE TRAIL RIDERS' SONG SHEET

YOU'LL GET USED TO IT

(Parodied from Gracie Field's latest hit of the same title—by permission of Gordon V. Thompson, Toronto).

You'll get used to it, You'll get used to it,
The first ride is the worst ride
But you'll get used to it.
If you're feeling all run down
With too much of life in town,
Just put your office cares aside
And join us on the Five Day Ride.
It's wonderful! It's marvellous!
You'll add a year to life, and that's a cinch!
You gotta used to it,
And when you get used to it
You will take your waistbelt in another inch.
Yo-de-la-dee!

You'll get used to it, You'll get used to it,
If you never rode a horse,
You may think you'll need a nurse;
But if a girl's without a guide
Just amble gently to her side —
It's wonderful! It's marvellous!
The way the pony jerks you is sublime.
You gotta get used to it,
And when you get used to it
You will ride like an old-timer all the time.
Yo-de-la-dee!

You'll get used to it, You'll get used to it,
You zig zag through the big crags,
But you get used to it.
You ride along the forest trails
And over flowery Alpine vales,
You ford the icy sun-lit streams
That thread the Rockies of your dreams.
It's wonderful! It's marvellous!
You get a tan like Indian squaw or chief —
You gotta get used to it
And when you get used to it
You'll find it gives a kick beyond belief.
Yo-de-la-dee!

You'll get used to it, You'll get used to it,
The teepee makes you sleepy
But you'll get used to it.
You build a fire with sticks inside —
If you're a tyro — call a guide,
And hang your socks and shirt to dry,
As on your sleeping bag you lie.
It's wonderful! It's marvellous!
You chat and dream until the night is o'er.
You gotta used to it,
And when you get used to it
You'll soon forget the other fellow's snore.

WE RODE IT BEFORE

(Tune — We did it before)

We rode it before and we can ride it again,
And we will ride it again,
We've got a peach of a trail to ride
By Rocky pass and the Great Divide;
We rode it before and we can ride it again
And we will ride it again.
We're short and tall, and we're out for fun
We'll lick up supper before we're done
Echoes we call to are ringing,
Singing as we ride along.
We rode it before and we can ride it again,
And we will ride it again,
We'll ride through timber
And then will climb above the timber line,
We rode it before, we'll ride it again!

I DON'T WANT TO RIDE WITHOUT YOU, COWBOY

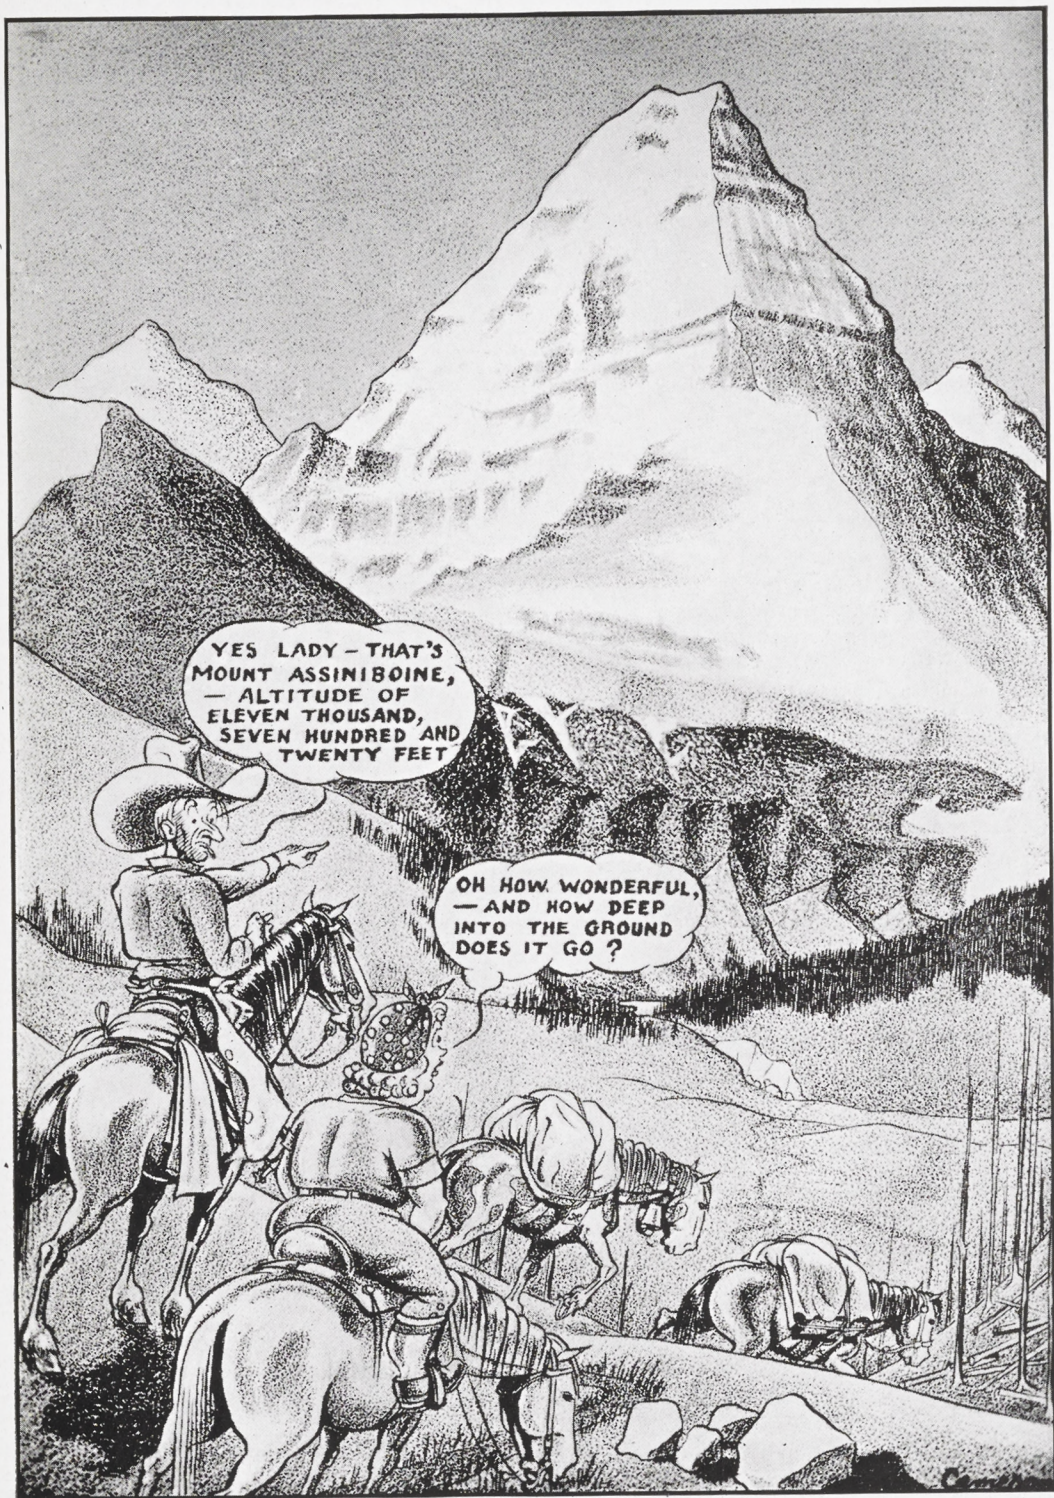

(Tune — I don't want to walk without you, Baby)

All my pals keep trotting on the trail,
They've bawled me out for riding like a snail.
But all I say is "Go some other place,
And here I stay and keep the same old face,
Cause
I don't want to ride without you, Cowboy,
Ride without my eyes about you, Cowboy,
I thought the day I left you behind
I'd ride with them and get you right off my mind,
But now I find
That I don't want to ride without your Stetson—
Where d'you pick up that Ten Gallon Stetson?
Oh, Cowboy, keep it on, you'll break my heart for me,
'Cause I don't want to ride without you,
No Siree!"

ALL TOGETHER NOW

*(Tail Rider Version of Song of the same name from
'Gullivers Travels')*

We're all together now, All together now,
Ready to chew any old fare,
Wha-da we, wha-da we, wha-da we care?
We're all together now, All together now;
Appetite fair, Wha-da we care,
Wha-da we, wha-da we, wha-da we care?
There's a meal we have to eat,
It's a meal that can't be beat,
Just a tasty little snack that soon goes down.
We're all together now, etc., etc. (as before.)
